WNCFlyer.com

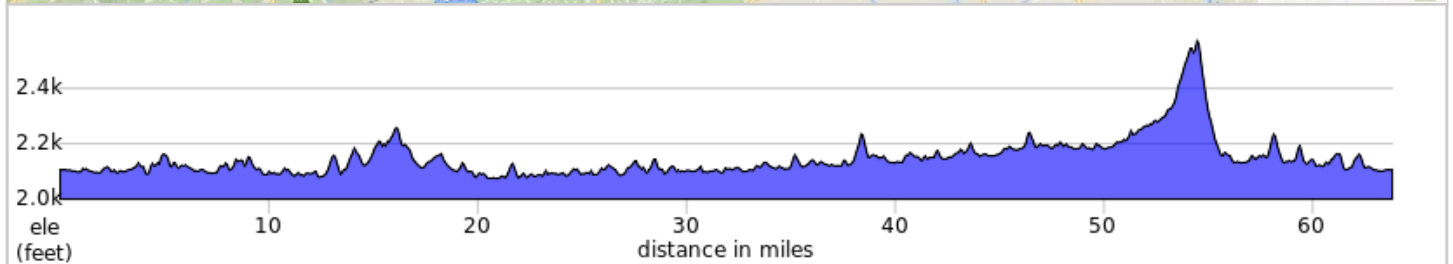

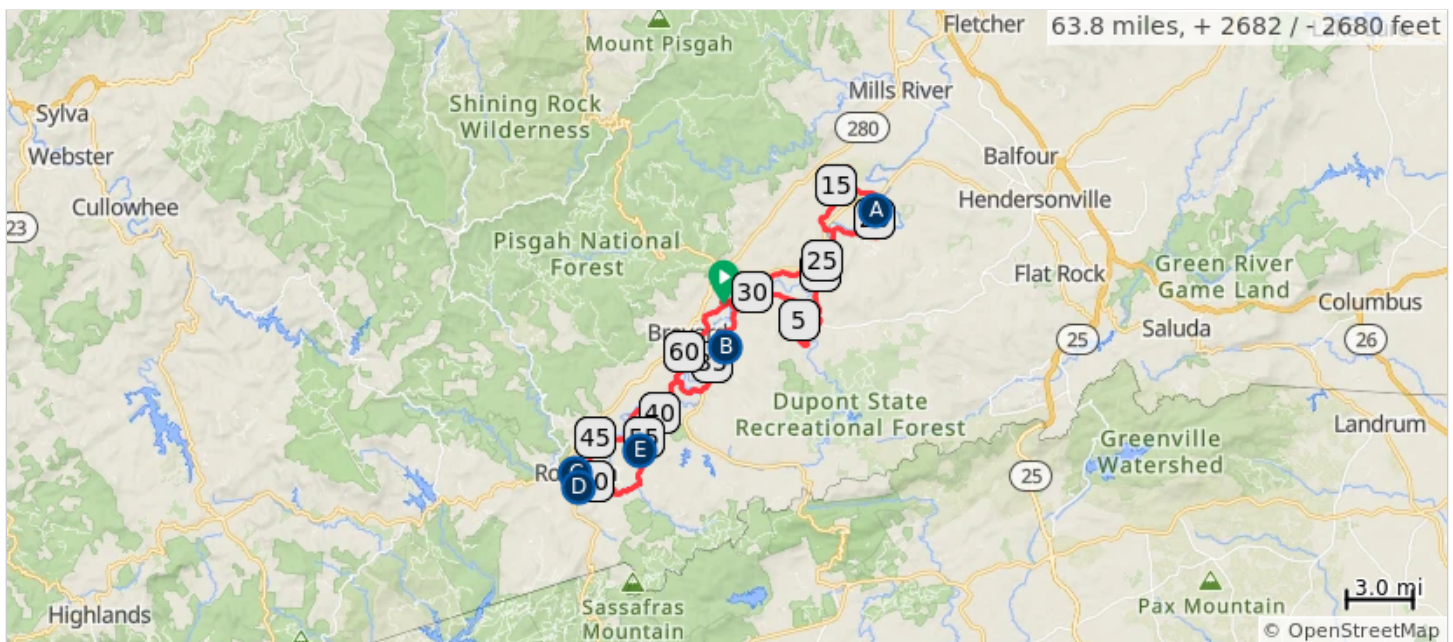

The WNC Flyer Metric is sponsored by Transylvania County Tourism Development Authority (TCTDA)

This year's ride will be held on Sunday, June 7, 2026. It starts from Oskar Blues and head north to Etowah. Then head south to ride through Brevard to Rosman before returning to Oskar Blues. This ride is considered one of the flattest metric cycling routes in WNC and is expected to draw 1,000 or more riders.

Please remember helmets are required, obey traffic laws and be courteous to fellow riders and drivers. Our continued community support depends upon it.
